## Kingfisher News April 2015

Welcome to season 2015 with the Kingfishers.

If you are a first time parent or player with the club, welcome to the family and if you are a returning player, thanks for coming back to play again.

Its been a while since the club has had a regular newsletter and this will be the first of many this season. We would love individual teams, parents or even players to contribute so if you have anything you want to see in the newsletter or website, please send us an email at [gardensuburbfc@macquariefootball.net.au](mailto:gardensuburbfc@macquariefootball.net.au)

This season will see the club represented in most junior grades and for the first time in the clubs history we have been able to field an all girls junior side, hopefully the first of many more to come.

Team Coach and Manager contact details will be available on the website shortly.

In the seniors this season we are well represented across All Age Men's and Women's, O35's and our freshly promoted Zone Premier League squad.

While trials are well underway at the club, the clubs competitive season will kick off with the Zone Premier

League taking on Cardiff in Round 1 of their competition on Saturday 11<sup>th</sup> April, which doubles as the annual RSL cup. This coincides with Junior trials on the same day and players and parents can stick around to support the clubs senior squad.

### **Club shorts and Socks**

Shorts, socks and playing strip have been ordered for all players and will be available prior to Round 1 for all teams.

Coaches will be notified as soon as they are available for distribution.

### **2015 Draw**

At this point in time the Macquarie Association has not published a draw so we don not know what it will look like.

All teams will be notified as soon as the draw is available.

### **Wet Weather**

In the event of adverse playing conditions there are several ways that ground cancellations are notified.

## Canteen/Duty Roster

During the season all teams will be asked to assist with the manning of the canteen as well as filling the role of Duty Officer. Each team will be required no more than one match day, so when your team is on, please get in and assist.

Once the draw is available we will be able to post a roster.

## Club Sponsors

The club relies on sponsorship to assist it in its day to day running, purchasing of equipment at playing kit and support of all teams.

Shirt and fence sponsor opportunities still remain, check out our website [www.gardensuburbfc.com](http://www.gardensuburbfc.com) for more info. We would love to welcome more sponsors to the club.

The following are sponsors already on board for the 2015 season. Please support our sponsors where you can.
